

How will school and I know how my child is doing?

- You will be able to formally discuss your child's progress and share their work at termly parents' evenings but you are welcome to make an appointment to speak to your child's class teacher, Mrs Hill (Head Teacher) or Mr Fenwick (SENCo) whenever you have a concern.
- You will receive a detailed written report at the end of the academic year about your child.
- In addition, all parents with children who have identified special need will meet with the class teacher each term to review progress and update targets. In some cases, where specialist teachers provide additional support, you will also be invited to any reviews of that provision.
- Appointments with Mrs Hill or Mr Fenwick can be made by contacting the school office on 0161 4285445.
