

Ladybridge Weekly News

8th March 2021

Dear Parents/Carers,

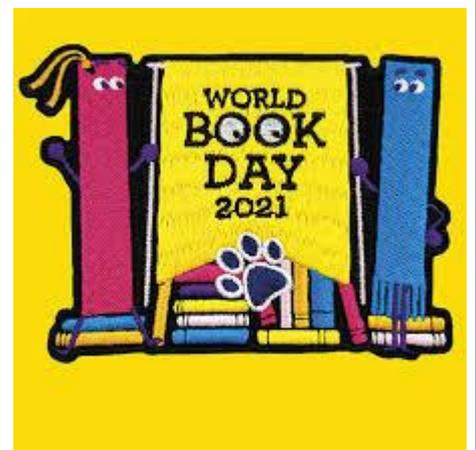

It was lovely to see you all again this morning, we have some babies that have been born during lockdown, seeing the babies and all of you has really cheered me up, it is so lovely to get back to being the Ladybridge family again.

For everyone's safety we have a very robust risk assessment in place which includes extra cleaning throughout the day.

We continue to line up at the beginning and end of the day in the same way that we did in the autumn term using our one way system until at least Easter and probably until the end of the school year.

If your child or anyone in your house has symptoms such as a high temperature, loss of taste and smell or a new continuous cough then please do not bring your child to school. You will need to get a test and follow government guidelines on self-isolating. The government are providing free Lateral Flow Tests to any family who wants them. They can be ordered from Gov.uk .

We had a brilliant World Book day, we do not let a lockdown spoil our fun! Many of you spotted me as the masked reader on dojo; I must try harder with my disguises! I hope that you enjoyed seeing the author Fay Evans, what a special treat to see a real live author; some of our children are inspired to become authors themselves now. I know that lots of you have ordered her books for you to enjoy at home.

Thank you all so much for raising money for new books through the sponsored read. I will let you know how much we've raised and what new books we have purchased once we have all the money in.

Please send your child's teacher a dojo message if you want an online Parents Evening slot on the evenings of Tuesday 23rd or Thursday 25th March for 10 minutes per child between 3.30 and 5.50. We will provide all parents with a written one page pupil profile sheet in case you can't make a meeting.

Thank you for supporting your children with their home learning this term, thank you for your enthusiasm and patience in live lessons, on my weekly assembly and as we have negotiated our way through this difficult time. Lets hope that the summer is a much safer and happier time.

Best wishes

Mrs Hill

- Break up from school Friday 28th July

PE Kits

PE kits are provided by school for all children from year 1 to 6, parents only need to provide pumps or trainers. PE kits will be washed regularly (as needed) by school in non-biological liquid. If you do not wish to use a school PE kit please let your class teacher know and provide a PE kit for your child.
