14<sup>th</sup> June 2021

Dear Parents/Carers,

I hope that you all had a lovely break, we had some nice weather to enjoy which made a pleasant change. It was lovely to see the children returning to school with such enthusiasm this morning.

Due to the rise in the Delta variant we will still need to follow our Covid risk assessment; probably until the end of the summer term. We will of course respond to advice from the government on whether we can relax our rules, but for the time being we need to continue to follow the one-way system around school and only have visitors if that is completely necessary. Staff will continue to wear face masks and children will be asked to wash hands and hand gel frequently throughout the school day.

Before we broke up from school Mrs Burke's class had a very positive local news report, if you haven't had chance to read it please click on the link below. The children have written their own excellent newspaper reports. I'm very proud of our children working towards their Green Blue Peter Badge, but more importantly proud of them for caring for the wider world.

**This Week our Class Captains are:**

Mrs Woodworth/Mrs Kendry – Leo for always being proud when he has aimed high.

Miss Nugent – Ghaith for aiming high in everything he does.

Mrs Burke – Owen for writing a comic strip about teeth at home.

Mr Fenwick – Adam for aiming high in everything he does, setting a good example to others.

Mrs Davies – Elliott for always being a good friend.

Mrs Parker – Leo for aiming high by using lower case letters correctly.

**This week's Headteacher's Awards were given to Ollie for being super enthusiastic about everything in school and Meshal for aiming high in all subjects.**

The class with the best attendance last week was Miss Nugent's class for the third week in the half term with 100%, my favourite number.

Children will be entered into a termly prize raffle for being on-time for school every day and for 97% - 100% attendance each week. Please ensure that children arrive at school before the bell goes at 8.55 each day.

**Good attendance is vitally important for all children in order for them to make good progress. Please ensure that your child is in school on time every day.**
