5th February 2024

Dear Parents/Carers,

We were incredibly fortunate last Tuesday to have an exciting whole school orienteering enrichment day delivered by 'Enrich Education'. Our school has recently been mapped and scanned by the skilled cartographers from 'Enrich'

House captains got to represent four famous adventurers by gladly wearing their hats all day!

to create bespoke maps designed to be used in school by our children. These resources have really ignited their love of outdoor learning. The immersive whole school event day included active outdoor learning experiences, together with orienteering challenges, combining physical activity, support for wellbeing, co-operative teamwork and lots of fun! The children were split (within their classes) into their school houses during the inspiring morning assembly. Then throughout the day, each class took part in an hourlong outdoor learning lesson that focused on orienteering skills.

This gave classes a chance to be awarded points for their respective houses.

The competition was exceptionally close with little to choose between houses; however, at the end of the day 'Tigers' were announced as narrow victors. It cannot be stressed enough how wonderful it was to see all the children -across all houses- excelling. Well done everyone!

In school we are looking forward to our upcoming class assemblies. All parents are welcome - no need for tickets! Just come to the main entrance for 9am on the day of your child's assembly.

Class assembly dates: Y5: 6.2.24 (also Safer Internet Day), Year 6: 27.2.24, Year 3: 5.3.24, Year 2: 12.3.24, Year 1: 19.3.24, Year 4: 30.4.24, EYFS: 21.5.24
