11th October 2021

Dear Parents/Carers,

Our School Age Plus Worker Caroline Cherrington will be in school on Wednesday 13th October from 9.00 – 11.00 for a drop in session. She is a really kind lady who can support parents with things like establishing morning routines, help with housing, helping with bedtime routines, domestic difficulties or community issues and with parenting. If you would like to meet Caroline, please just come to the main office on Wednesday and we'll introduce you to her.

Some of our children are reporting that they are watching scary videos on platforms such as Youtube and Tiktok. Please talk to your children and monitor their internet use, it's so easy to come across unsuitable images on the internet, it can be just one click and children can be very upset and worried about what they have seen. There is a really useful website - You think you know; you can click on this link: <https://www.thinkuknow.co.uk/parents/> if you need information or advice please let us know, we have a wealth of information in school. We will be running a Safer Internet drop in session on Thursday 11th November at 2.30, we would really like it if parents could join us for this.

Just a little reminder that we have our Harvest Festival Service on Thursday 21st October at 9.15, we are not asking for donations of food this year, instead we are going to make a donation to the charity Fresh that deliver our weekly food to school. There will be an item on parent Pay, if you would like to make a donation. Please join us at the church if you are able to.

There will also be an item on Parent Pay for 'Show Racism the Red Card'. If you would like to donate please give an amount that you can afford and don't worry if you can't donate, times are difficult at the moment for lots of families.

We have two confirmed cases of Covid-19 in school, all our families will have received an email with information from Public Health England. Please make sure that if your child has any symptoms: a new persistent cough, high temperature or loss of taste or smell that you book a PCR test and do not bring your child to school until you have a confirmed negative test.

Best wishes

Mrs Hill

This week's Headteacher's Awards were given to Aneurin for his wonderful musical composition and George for aiming high in mathematics.

School Uniform

There will be termly rewards for children who consistently wear the correct school uniform from September. Children must not wear sportswear of any kind. May I also remind parents that children should be wearing black school shoes. Trainers can be worn during playtime and lunchtime, but these must come to school in a separate bag and be stored in lockers.

The class with the best attendance last week was Year 1 with 96.4%.

Children will be entered into a termly prize raffle for being on-time for school every day and for 97% - 100% attendance each week. Please ensure that children arrive at school before the bell goes at 8.55 each day.

Good attendance is vitally important for all children in order for them to make good progress. Please ensure that your child is in school on time every day.

PE Kits

PE kits are provided by school for all children from year 1 to 6, parents only need to provide pumps or trainers. PE kits will be washed regularly (as needed) by school in non-biological liquid. If you do not wish to use a school PE kit please let your class teacher know and provide a PE kit for your child.

Year 5 will have swimming on Monday each week, all other classes from year 1 to 6 will have two lessons each week where PE kits are used.
