31st January 2022

Dear Parents/Carers,

Unfortunately, our lovely School Nurse Tamsin Hobbs had to cancel her visit last week. She has rescheduled for Thursday 3rd February from 9 o'clock. She can help with lots of things from head lice to toileting, bedwetting to healthy eating. Please do come along and meet her if you have any health concerns about your child, if she can't help she will find someone who can!

We have some very exciting events for our children over the next few weeks. As part of our anti-racism work the children will be taking part in workshops with 'Show Racism the red Card' on the 7th and 8th February. I'm really looking forward to seeing the workshops, our children always make me proud, I know that they will take part enthusiastically and have lots to say about how to make our school community the best that it can be.

On Wednesday 9th February the whole school will be taking part in Safer Internet Day. This year the theme is '**All fun and games? Exploring respect and relationships online**'. I know from talking to many of you, that you are concerned about your children's online relationships and when things go wrong on apps such as WhatsApp. Miss Ratcliffe supports many of our children and our parents with managing children's online relationships – please do let us know if we can help you. We will be running a parent session about how to support your child online. I'll let you know the date for that very soon, we are just keeping our eye on covid cases in school before we commit to a date.

Please do keep letting us know if your child has a positive covid-19 case, we let Public Health England and parents of children in that class know that there is a case. We can also adjust our risk assessment if we have a high number of cases. Our priority is keeping all of our community as safe as possible.

Best wishes

Mrs Hill

School Uniform

There will be termly rewards for children who consistently wear the correct school uniform from September. Children must not wear sportswear of any kind. May I also remind parents that children should be wearing black school shoes. Trainers can be worn during playtime and lunchtime, but these must come to school in a separate bag and be stored in lockers.

The class with the best attendance last week was Mrs Goodwin's class with 96.5%, well done Mrs Goodwin's class.

Children will be entered into a termly prize raffle for being on-time for school every day and for 97% - 100% attendance each week. Please ensure that children arrive at school before the bell goes at 8.55 each day.

Good attendance is vitally important for all children in order for them to make good progress.

Please ensure that your child is in school on time every day.

PE Kits

PE kits are provided by school for all children from year 1 to 6, parents only need to provide pumps

or trainers. PE kits will be washed regularly (as needed) by school in non-biological liquid. If you do not wish to use a school PE kit please let your class teacher know and provide a PE kit for your child.

Year 5 will have swimming on Monday each week, all other classes from year 1 to 6 will have two lessons each week where PE kits are used.
