

### **How will my child be able to contribute their views?**

- Teachers discuss targets and feedback with individual children.
- When reviewing SEND Support Plans or statements, children are encouraged to contribute to their strengths, the ways that they prefer to learn and to their areas for development.
- Some of the older children are invited to contribute their views to review meetings and Team Around the Child (TAC) meetings if appropriate.
- Children are encouraged to talk to staff if they have any concerns, in particular, relating to their emotional health and well-being. The School Council is regularly asked to feedback on any aspect of school life that they may be worried about or that can be improved.
