

# Ladybridge Primary School Half Termly Core Curriculum Plan – Summer 2

Maths	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Unit to be covered	Statistics	Geometry: Properties of shape Geometry: Position and direction			Converting units and volume		Consolidation
	I can read data from a bar graph. I can read data from a line graph. I can draw a line graph. I can read data from a table. I can solve problems using data.	I can identify different angles. I can compare and order angles. I can measure and draw angles using a protractor. I can calculate angles in a straight line. I can calculate angles at a point.	I can calculate angles in a straight line. I can calculate angles at a point. I can identify different triangles. I can identify different quadrilaterals. I can identify properties of 2d and 3d shapes including parallel/perpendicular sides.	I can find lines of symmetry. I can complete symmetrical shapes. I can identify a position on a grid. I can move a shape on a grid. I can describe the movement of a shape on a grid. I can identify co-ordinates a shape has translated to.	I can convert between metric units of weight. I can convert between metric units of distance. I can convert between metric and imperial units.	I can measure capacity using l and ml. I can measure volume using cm <sup>2</sup> and m <sup>2</sup> .	Revision of units.
	I know all my multiplication facts to x12.						
	X4	X8	X3 X6	X6 X12	X9	X7	X12
Cross-curricular links	Using co-ordinates to locate places on a map.						

English	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Writing Genre	Discussion text – Should we save the rainforest?			Persuasive Writing (letter) – Save the rainforest			
Guided Reading texts	Cracking Comprehension scheme						

Class text	Pig Heart Boy by Malorie Blackman (continued)
